## COUNCIL COMMUNICATION

**AGENDA TITLE:** Public Hearing to Consider Resolution/Order to Vacate the Alley West of Washington Street, from East Vine Street to 150.3 Feet North of East Vine Street

**MEETING DATE:** October 6, 1993

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** That the City Council, after reviewing the finding by the Planning Commission and the public comments from the subject public hearing, take the appropriate action on this proposed abandonment.

**BACKGROUND INFORMATION:** At its regular meeting of September 1, 1993, the City Council adopted a resolution of intention to vacate an alley west of Washington Street, from East Vine Street to 150.3 feet north of East Vine Street, reserving, however, and excepting from the vacation, a permanent easement and right therein to construct, maintain, repair and operate lines for public utilities, both publicly and privately owned, in, over, and across said alley; and referred the matter to the Planning Commission.

At the request of the Providence Reformed Church at 245 East Vine Street, this alley abandonment was initiated by City staff. The subject alley right of way between Vine Street and Cherry Street has never been maintained by the City of Lodi. The portion proposed to be vacated was paved by the Providence Reformed Church and has been striped and made part of their overall parking lot. It is possible to travel from Cherry Street to Vine Street; however, the northerly portion of the alley right of way is unimproved (dirt) and the southerly portion, paved by the Church, has no standard alley-approach access to Vine Street. Presently, in order to use the dedicated alleyway, it is necessary to traverse the remainder of the Church's parking lot and use their driveway onto Vine Street. Since there were no existing structures on the adjacent property at 235 East Vine Street which took access off the alley, it was our feeling that there was no public need.

The Planning Commission, at its meeting of September 27, 1993, held a hearing to determine public need, present or future, for this alley. The owner of 235 East Vine Street, who purchased the property within the last year, indicated to the Planning Commission that he bought the property after confirming that it had alley access. It was his intention to upgrade this rental property, providing an off-street garage with access off of the alleyway and also providing for possible RV parking. The Planning Commission, after hearing the concerns of the adjacent property owner, determined that there was public need and they are providing that finding to the City Council for its public hearing on this matter to be held October 6, 1993.

COUNCIL COMMUNICATION

AGENDA TITLE: Public Hearing to Consider Resolution/Order to Vacate the Alley West of Washington Street, from East Vine Street to 150.3 Feet North of East Vine Street

MEETING DATE: October 6, 1993

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council, after reviewing the finding by the Planning Commission and the public comments from the subject public hearing, take the appropriate action on this proposed abandonment.

BACKGROUND INFORMATION: At its regular meeting of September 1, 1993, the City Council adopted a resolution of intention to vacate an alley west of Washington Street, from East Vine Street to 150.3 feet north of East Vine Street, reserving, however, and excepting from the vacation, a permanent easement and right therein to construct, maintain, repair and operate lines for public utilities, both publicly and privately owned, in, over, and across said alley; and referred the matter to the Planning Commission.

At the request of the Providence Reformed Church at 245 East Vine Street, this alley abandonment was initiated by City staff. The subject alley right of way between Vine Street and Cherry Street has never been maintained by the City of Lodi. The portion proposed to be vacated was paved by the Providence Reformed Church and has been striped and made part of their overall parking lot. It is possible to travel from Cherry Street to Vine Street; however, the northerly portion of the alley right of way is unimproved (dirt) and the southerly portion, paved by the Church, has no standard alley-approach access to Vine Street. Presently, in order to use the dedicated alleyway, it is necessary to traverse the remainder of the Church's parking lot and use their driveway onto Vine Street. Since there were no existing structures on the adjacent property at 235 East Vine Street which took access off the alley, it was our feeling that there was no public need.

The Planning Commission, at its meeting of September 27, 1993, held a hearing to determine public need, present or future, for this alley. The owner of 235 East Vine Street, who purchased the property within the last year, indicated to the Planning Commission that he bought the property after confirming that it had alley access. It was his intention to upgrade this rental property, providing an off-street garage with access off of the alleyway and also providing for possible RV parking. The Planning Commission, after hearing the concerns of the adjacent property owner, determined that there was public need and they are providing that finding to the City Council for its public hearing on this matter to be held October 6, 1993.
